Good morning Director Williams

I was informed that an outcome in the above matter which you chaired has been handed down by yourself

May I please have a copy of the decision reached and the basis therefore.

I have requested a copy of the hearing tape in order to listen to it but I am deeply concerned at what has transpired and the process allowed to be followed in the hearing.

I will be requesting a report from the initiator also.

I require the report by the close of business today please
