Dear Mr Keith Abrahams

Congratulations on your extraordinary feat during this last festive season during which you not only saved the life of someone drowning but had to save the lifeguard as well.

I also understand that during your 27 years of service, you have performed no less than thirteen such heroic acts across the City and for this I want to commend you. It is this selfless dedication to service, the willingness to take risk to help the public and the constant training you have to put into it to be able to help people that is remarkable.

Congratulations

PREMIER
